To Whom it May Concern:

On behalf of the Santa Barbara County Sheriff's Office, I am writing to express my deepest gratitude and unwavering support for One805 and the vital work this organization does for first responder agencies throughout our county. One805's dedication to supporting the men and women who serve our community often under the most challenging circumstances is extraordinary.

One805's commitment to enhancing the effectiveness and safety of first responders is evident in their impactful contributions to our agency and others throughout the county. In addition to purchasing a command post and aviation equipment for the Sheriff's Office, their generosity has equipped our dive team for critical underwater operations, ensuring their readiness and effectiveness. The ballistic vests provided for law enforcement's K9 partners have significantly increased their safety during high-risk operations, while the communication equipment for our Hostage Negotiation Team has greatly enhanced their ability to respond effectively to crisis situations. One805 has continuously supported first responder wellness programs and therapy support, addressing the mental health needs of those who serve in demanding roles. These contributions collectively ensure that first responders have the tools and the outlook they need to protect and serve others.

In addition to these critical resources, One805's efforts to bring our community together through events like the annual concert highlight the organization's unique ability to unite support and foster appreciation for first responders, while also providing world-class entertainment. These events are a testament to the dedication and creativity of One805's team members, who consistently go above and beyond to uplift our community and foster connections between its members and those who serve.

The tireless commitment of the One805 team supports and inspires not only our agency, but also ten others that see the profound impact of their work. They have created a model for what a partnership between a nonprofit organization and first responders should be, and we are truly grateful for all that they do.

Please know that the Santa Barbara County Sheriff's Office stands firmly behind One805 and their remarkable work. We are proud to call One805 our partner and look forward to many more years of collaboration as we work together to ensure the safety and well-being of the people of Santa Barbara County.

Sincerely,
